

Resolution of the EuroCOP Committee

regarding
Observer Status of the Civil Nuclear Police Federation, CNPF-UK
adopted at the
Spring EuroCOP Committee, Lisbon, 9 March 2009

The EuroCOP Committee

- convinced that the Civil Nuclear Police Federation, CNPF, UK, fulfils the criteria for an Observer Status as set out in Art.2.4. of the Standing Orders
- grants Observer Status to the Civil Nuclear Police Federation as of 1st April 2009

Lisbon, 9 March 2009

Your application for Full Membership in the European Confederation of Police

Dear Colleagues,

with reference to your application for full membership in the European Confederation of Police I am happy to be able to confirm that the EuroCOP Committee has on 9 March 2009 agreed to grant CNPF an Observer Status in the European Confederation of Police.

This decision takes effect on 1 April 2009.

As Observer you are entitled to services of the organisation as well as participation in the meetings of the organisation's bodies. Accordingly, you will be invited to attend the next meeting of the EuroCOP Committee that is scheduled in Luxembourg on 5 November 2009.

The full text of the resolution adopted by the EuroCOP Committee as well as a copy of the Statutes, Standing Orders and Travel regulations are attached to this letter. Please do not hesitate to contact us in the event of questions.

We are looking forward to your input into the European Confederation of Police.

Yours sincerely,

Heinz Kiefer
President
