28th June 2019

Dear Minister,

Civil Nuclear Police Federation and 2013 Public Sector Pensions Act

On behalf of the Civil Nuclear Police Federation I would like to thank you for the meeting on 25th June 2019. In particular, I would like to thank you for acknowledging – to use your own words – our “*compelling case*” for keeping the Civil Nuclear Constabulary’s pensions age at 60.

I would also like to thank you for your offer to write to the Chief Secretary to the Treasury on this matter and would appreciate for this correspondence to be copied to the Implementation Minister at the Cabinet Office as well as us. Given how urgent this issue is for our members, I would welcome any and all efforts to ensure that this correspondence is issued without delay.

In the meantime, we look forward to our meeting with BEIS, Cabinet Office and Treasury alongside our colleagues in the CNC and CNPA on Friday 26th July and I look forward to working together with you and in the future.

Thank you again for your support.

Yours Sincerely,
